BY-LAWS (EXCERPT)

PART 6 – COMMITTEES

Advisory Committees

6.1 The Board may create such standing and special committees as may from time to time be required. The Board may delegate any, but not all, of its power to such committees and any such committee shall limit its activities to the purpose or purposes for which it is appointed, and shall have no powers except those specifically conferred by the Board. Unless specifically designated as a standing committee, any special committee so created must be created for a specified time period only. Upon completion of the earlier of the specified time period or the task for which it was appointed, a special committee shall automatically be dissolved.

Board Rules for Committees

6.2 A committee, in the exercise of the powers delegated to it, shall conform to any rules that may from time to time be imposed by the Board, and shall report every act or thing done in exercise of those powers at the next meeting of the Board held after it has been done, or at such other time or times as the Board directs.

Committee Proceedings

6.3 The members of a committee may meet and adjourn as they think proper and meetings of committees shall be governed by the rules set out in these Bylaws governing proceedings of the Board, with the necessary changes to reflect their application to committees and committee members, including the payment of expenses and honoraria to committee members who are not directors.

Election or Appointment of Committee Members

6.4 Each Zone shall be eligible to elect one Voting Member to each standing committee of the Association. The Voting Members will elect standing committee members at the same time and using the same process as for the election of directors, using the same qualifications, nomination and election process, except for the requirement of the consent to act as director which is not required. The Board shall appoint the members of a special committee. The Board may fill a casual vacancy in the membership of a standing or special committee in the same way as a casual vacancy for a director is filled as set out in section 4.2 of these Bylaws.

Committee Chairs

6.5 The President shall appoint a chair for each committee and each chair shall be a member of the Board or, for a standing committee, a committee member elected or acclaimed through the Zone committee member election process.

Committee Expenses

6.6 The directors shall establish rules for payment of expenses to persons serving on committees.

Committee Minutes and Reports

6.7 Each committee shall keep minutes of its proceedings and the Association shall mail or electronically distribute copies of minutes of each committee meeting to each committee member, director and alternate within the two weeks immediately following that committee meeting. The chair of each committee shall submit and present a report about the committee's activities to the members at the annual general meeting of the Association.

COMMITTEE DESCRIPTIONS

Refer to the annual report for a full summary of the committee projects and work (www.cattlemen.bc.ca).

***NEW* Merged Committee** (formerly *Livestock Industry Protection Committee & Research Committee*)

Beef Production and Innovation Committee Works on a broad scope of policies and issues related to the cattle industry around safety, health, welfare, and production and actively encourages relevant research on beef cattle and forage to benefit the BC cattle industry. The topics of concern for the committee include research, trespass, meat regulation, emergency management, animal disease, biosecurity, traceability, transportation, animal care code of practice, age verification, farm safety, bonding and assurance, fencing, food safety. The committee continues to work with organizations such as VBP+, BC SPCA, RCMP, OII, BCRC, TRU and the BC Association of Cattle Feeders to create a productive and researched cattle industry.

Environmental Stewardship Committee Addresses issues relating to the environment and the management of water, wildlife and waste including associated legislation and regulations. Scope of work: Water Sustainability Act regulations, livestock watering, groundwater licensing, water storage & dams, riparian management & stewardship (via FRISP Program), ag-wildlife conflicts, Species at Risk, Agricultural Waste Control Regulations, Environmental Farm Plan, and Invasive Plants.

Land Stewardship and Indigenous Affairs Committee Works on Range Tenure related issues; reviews and recommends changes to the Forest and Range Practices Act, the Range Act, the Range Planning and Practices Regulation and the Forest Planning and Practices Regulation and related policy; reviews and recommends changes to 'other' related legislation and policy (i.e. Land Act, Trespass Act); mitigating mountain pine beetle impacts; funding applications; monitors the BC Treaty process; provides assistance to members and associations related to local treaty negotiations and issues.

Public Affairs and Education Committee - Responsible for promotion of BC Cattlemen's Association and the beef industry in BC. Develops projects related to consumer education and promotion of beef, and communications from and about BC's beef industry while building public trust. Responsible for providing producers with resources to promote the beef industry to consumers and the general public. The committee is focused on encouraging youth or young producers to become active within the industry, while providing educational outreach on ranch and business management to all age demographics.
